Game Modes

Classic - A classic Endless Attack experience.
Time - Energy drains when the time runs out. Collect T-plates to increase your time.
Boss - Only boss areas will appear.
Perfect - Start with 1 HP and no weapons or item pickups.

Weapons

Hyper Bomb - Powerful explosive that can destroy certain blocks or walls.
    Hold up or down to fire at different trajectories.
Leaf Shield - Stops weak enemies and projectiles in their tracks.
    Can also be thrown.
Magnet Missile - Will change direction to intercept enemies above or below it.
Ring Boomerang - Returning weapon that can be fired forward, up or diagonally.
Charge Kick - Slide faster with invincibility as you damage enemies.
    Continues through the air if you slide off an edge.
Centaur Flash - Hits everything on screen with a powerful flash.
Boost Jump - Continuous mid-air jumping for reaching new heights.
